8/15/2022	pad will be spread on St3 on 8/15 this will be incorporated by Jay Dickson					
8/16/2022	is going to be spread and incorporated on St3					

Once P2 is empty and the loads on the pad are spread today 8/15 Dickson's will no longer have any material on site that is the responsibility of DES to land apply. Des was sold to Casella on July 22, 2022. The facility will be gated and locked up after the spreading of this material which should be concluded no later than Friday, August 19th. A final spread report that reflects this will be sent on Monday, August 26th. As for DES they no longer have any customers and work directly for Casella providing transportation services only.
